

Red & Gold Of Agawa Canyon

September 28-October 2, 2009

Where could you find a more colorful autumn destination? And what better way to view the backwoods scenery than an all day rail excursion via the Algoma Central Railroad? Welcome aboard one of the most popular train excursions in America. This one day wilderness excursion will take you 114 miles north of Sault Ste. Marie, over towering trestles, along-side pristine northern lakes and rivers and through amazing granite rock formations. At the Ford Museum, trace the life of Henry Ford, one of America's greatest industrialists, from his childhood to the founding of the Ford Motor Company. Accept an invitation to America's home life of the past as you tour Greenfield Village. Experience a bit of German culture as we visit Frankenmuth, MI and dine in the Bavarian Inn.
