

# Steamboat Cruise Cincinnati–Pittsburgh “American Queen” July 22-28, 2012

The grand *American Queen* is back and ready to take you on the river voyage of a lifetime. The only authentic overnight paddlewheel steamboat in America, this magnificent floating mansion boasts more amenities than ever. Your experience is enhanced with a host of new options—like complimentary shore excursions, a luxury hotel stay after the cruise and much, much more.

There’s something about Steamboating that captivates people right from the start. The thrill of crossing the gangway to board a genuine steamboat. Waking up to the romantic stillness of a misty morning on the river. Reconnecting with America’s river heritage and history. And spending time with familiar friends while meeting new ones. A Steamboating river adventure is a grand opportunity to explore America’s past, to delve into our unique river heritage and savor breathtaking scenery.

The largest steamboat ever built, the grand *American Queen* is a gracious and elegant triumph of American ingenuity. Although filled with today’s modern amenities, her rooms and accommodations display all the opulence of the American Victorian era. Glistening woodwork, fresh flowers and antiques adorn her interior spaces. Outside, lacy filigree evokes memories of the many stately river steamers that preceded her and so inspired her designers. Combining the best of the old and the new, this beautiful lady epitomizes the grace and grandeur that has made Steamboating a cherished American tradition for more than two centuries.
